

# EMPOWERING SCIENTISTS IN THE ASIA-PACIFIC REGION TO SUPPORT THE SDGs

Please join us as we explore how the global science community is endeavouring to play its part and engage with the SDGs, through the lens of national merit-based academies of science in the region.

29 March 2018 • 13:00 - 14:00  
UNCC, Meeting Room H

Short presentations followed by moderated discussion with:  
Professor Norichika Kanie, IAP Working Group member
